

Allocation of activities in the construction industry to relevant collective agreements

Activity	Collective agreement for blue-collar workers	Collective agreement for white-collar workers	Subject to BUAG *)	Collective agreement for blue-collar workers – special note:
Adhesion work on walls and flooring	Floor layers	Trades and crafts		
Alarm systems	Iron and metal processing trade	Trades and crafts		
Aluminium profile façades	Construction industry/building trade	Construction industry/building trade	YES	
Aluminium windows and doors (installation)	Iron and metal processing trade	Trades and crafts		
Asphalting	Construction industry/building trade	Construction industry/building trade	YES	
	Trades related to construction	Trades and crafts	YES	
Building gate systems	Iron and metal processing trade	Trades and crafts		
	Metal industry	Metal industry		
Cast stone work	Quarrying and stone masonry trade	Trades and crafts	YES	Wage regulations (<i>Lohnordnungen</i>) for cast stone manufacturers
Civil engineering work	Construction industry/building trade	Construction industry/building trade	YES	
Cleaning construction sites	Building structure cleaners	Trades and crafts		
Cleaning work	Construction industry/building trade	Construction industry/building trade	YES	
Coatings	Painters	Trades and crafts		
Composite thermal insulation systems	Construction industry/building trade	Construction industry/building trade	YES	
Composite wood-aluminium windows and doors (installation)	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners
Concrete and reinforced concrete work	Construction industry/building trade	Construction industry/building trade	YES	
Cutting and drilling slits and openings in walls	Construction industry/building trade	Construction industry/building trade	YES	
Demolition work	Construction industry/building trade	Construction industry/building trade	YES	
Door leaves (installation)	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners
Drywall work	Construction industry/building trade	Construction industry/building trade	YES	
	Trades related to construction	Trades and crafts	YES	
Earthworks	Construction industry/building trade	Construction industry/building trade	YES	
Electrical work	Iron and metal processing trade	Trades and crafts		
Excavation of construction sites	Construction industry/building trade	Construction industry/building trade	YES	
Excavation work	Construction industry/building trade	Construction industry/building trade	YES	
Exhaust systems	Construction industry/building trade	Construction industry/building trade		
	Iron and metal processing trade	Trades and crafts		
Forest clearing work	Construction industry/building trade	Construction industry/building trade	YES	
	Gardeners and landscapers	Trades and crafts		
Foundation work	Construction industry/building trade	Construction industry/building trade	YES	
Garden design and landscaping	Construction industry/building trade	Construction industry/building trade	YES	
	Gardeners and landscapers	Trades and crafts		
Gas and sanitary installations	Iron and metal processing trade	Trades and crafts		
Glazing work	Glazers	Trades and crafts		
Installation of awnings, rolling shutters and blinds	Iron and metal processing trade	Trades and crafts		
Joinery work	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners
Lock systems	Iron and metal processing trade	Trades and crafts		
Machine-hoisting and lifting	Construction industry/building trade	Construction industry/building trade	YES	
Masonry work	Construction industry/building trade	Construction industry/building trade	YES	
Natural stone work	Quarrying and stone masonry trade	Trades and crafts	YES	Wage schedule of the <i>Land</i> where the activity is performed
Pipe-laying	Construction industry/building trade	Construction industry/building trade	YES	

* BUAG: Do Austrian regulations for the [Holiday and Severance Pay Fund](#) (*Bauarbeiter-Urlaubs- und Abfertigungskasse, BUAK*) apply?

Activity	Collective agreement for blue-collar workers	Collective agreement for white-collar workers	Subject to BUAG *)	Collective agreement for blue-collar workers – special note:
Plastic windows and doors (installation)	Wood and plastics processing trade	Plastics trade		Wage regulations (<i>Lohnordnung</i>) for the plastics trade
Pre-cast concrete elements (installation)	Construction industry/building trade	Construction industry/building trade	YES	
Railway construction	Construction industry/building trade	Construction industry/building trade	YES	
Rear-ventilated curtain wall façades	Construction industry/building trade	Construction industry/building trade	YES	
	Iron and metal processing trade	Trades and crafts		
	Metal industry	Metal industry		
Reconditioning of wooden windows and doors	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners
Road construction	Construction industry/building trade	Construction industry/building trade	YES	
Roof sealing work	Trades related to construction	Trades and crafts	YES	
Roof windows, light cupolas and continuous rooflights	Iron and metal processing trade	Trades and crafts		
	Master carpenters	Trades and crafts	YES	
Roofing work	Roofers	Trades and crafts	YES	Wage schedule of the <i>Land</i> where the activity is performed
Scaffolding	Construction industry/building trade	Construction industry/building trade	YES	
Scaffolding	Trades related to construction	Trades and crafts	YES	
Screed-related activities	Construction industry/building trade	Construction industry/building trade	YES	
	Floor layers	Trades and crafts	YES	
Sealing of concrete surfaces and walls	Construction industry/building trade	Construction industry/building trade	YES	
	Trades related to construction	Trades and crafts	YES	
Sewage system construction	Construction industry/building trade	Construction industry/building trade	YES	
Sheet metal fitting work	Iron and metal processing trade	Trades and crafts		
Steel fixer activities	Construction industry/building trade	Construction industry/building trade	YES	
Stone paving work	Construction industry/building trade	Construction industry/building trade	YES	
	Pavers	Trades and crafts	YES	
Structural metal work	Iron and metal processing trade	Trades and crafts		
Structural steel construction work	Construction industry/building trade	Construction industry/building trade	YES	
	Iron and metal processing trade	Trades and crafts		
	Metal industry	Metal industry		
Structural woodwork (master carpentry work)	Construction industry/building trade	Construction industry/building trade	YES	
	Master carpenters	Trades and crafts	YES	
Terrazzo work	Construction industry/building trade	Construction industry/building trade	YES	
	Trades related to construction	Trades and crafts	YES	
Tiled stove (fitting)	Stove fitters, pavers and tilers	Trades and crafts	YES	Wage schedule of the <i>Land</i> where the activity is performed
Tiling and paving	Stove fitters, pavers and tilers	Construction industry/building trade	YES	Wage schedule of the <i>Land</i> where the activity is performed
Tunnel construction	Construction industry/building trade	Construction industry/building trade	YES	
Ventilation systems	Iron and metal processing trade	Trades and crafts		Vienna: Metal industry
	Metal industry	Metal industry		
Wallpapering	Painters	Trades and crafts		
	Paperhangers	Trades and crafts		
Wooden flooring	Master carpenters	Trades and crafts	YES	
	Floor layers	Trades and crafts		
	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners
Wooden windows and doors (installation)	Wood and plastics processing trade	Trades and crafts		Wage regulations (<i>Lohnordnung</i>) for joiners

* BUAG: Do Austrian regulations for the [Holiday and Severance Pay Fund](#) (*Bauarbeiter-Urlaubs- und Abfertigungskasse, BUAK*) apply?
